7. (Confidential - GLC) [REDACTED], External Affairs Division, DIA, called regarding the Director's memorandum to General D. V. Bennett on the subject of the release of intelligence documents to the House Subcommittee on Foreign Operations and Government Information. [REDACTED] asked if the Director's recommendations against providing this material to the Subcommittee would include extracts which have been made of the document. He also asked if DOD could "hide behind the Agency's skirts" in refusing to provide the document. I told [REDACTED] I would check on this and be back in touch with him in the morning.
